MEMORANDUM FOR: Chief, Personnel Security Division/OS

SUBJECT : CIA Life Sciences Panel

1. You will note from the attached information that the Life Sciences Panel of the Kinzel Committee has now been reconstituted as the CIA Life Sciences Panel and will include a number of subpanels.

2. The DD/R&D has requested expeditious action regarding the required security determination as to the proposed panel members clearability for Agency TS, SI, TKH, C and I clearances. My records indicate that [redacted] the chairman, and [redacted] are the only members of the Panel currently holding the required clearances. Our records reflect a continuing contact clearance for [redacted] and Top Secret, SI, and T clearances for [redacted]

3. You are requested to institute the required action to enable the panel members to have access to Agency TS, SI, TKH, and selected [redacted] clearances as soon as possible. If further biographic information is required, please advise.
